To Whom It May Concern,

This is to confirm that Omar Abdulrahim (S586877) is currently a student in the UoPeople Foundations at University of the People.

The UoPeople Foundations consists of a set of courses that are intended to be completed while students start their admissions process to the University. The student is required to complete a minimum of two and no more than five courses in UoPeople Foundations while submitting their application to be considered as a Degree Seeking Student. These courses will later count toward the student's undergraduate degree program where they will then be admitted as a degree-seeking student.

University of the People (UoPeople) is the world's first tuition-free, non-profit, online academic institution which is accredited regionally by the WASC Senior College and University Commission (1080 Marina Village Parkway, Suite 500, Alameda, CA 94501, 510-748-9001) and nationally by the Distance Education Accrediting Commission (DEAC).

UoPeople is dedicated to opening access to higher education globally and is designed to provide access to undergraduate degree programs for qualified individuals, despite financial, geographic or societal constraints.

Please do not hesitate to contact us at student.services@uopeople.edu, if you require any further information.
